Creative Commons License

The projects of the cluster have agreed that all the documentation shared among the cluster should be public. The cluster, before sharing documentation, will decide the license to use. The following cc license is one option.

This work is licensed under a Creative Commons License

Creative Commons

Attribution-NonCommercial-ShareAlike 2.0

You are free:
- to copy, distribute, display, and perform the work
- to make derivative works

Under the following conditions:
- Attribution. You must give the original author credit.
- Noncommercial. You may not use this work for commercial purposes.
- Share Alike. If you alter, transform, or build upon this work, you may distribute the resulting work only under a license identical to this one.

For any reuse or distribution, you must make clear to others the license terms of this work.

Any of these conditions can be waived if you get permission from the copyright holder.

Your fair use and other rights are in no way affected by the above.

This is a human-readable summary of the Legal Code (Creative Commons).

Disclaimer

The Commons Deed is not a license. It is simply a handy reference for understanding the Legal Code (the full license)—it is a human-readable expression of some of its key terms. Think of it as the user-friendly interface to the Legal Code beneath. This Deed itself has no legal value, and its contents do not appear in the actual license.

Creative Commons is not a law firm and does not provide legal services. Distributing of, displaying of, or linking to this Commons Deed does not create an attorney-client relationship.
